DISCOVER FENCING AT FRESNO FENCING ACADEMY

Join us for this exciting opportunity to **learn the Sport of Fencing** with Vladimir Ostatnigrosh, former Soviet Foil Champion and Head Coach at Fresno Fencing Academy. Camp attendees will enjoy the thrill of crossing swords with one another as they study and practice state of the art techniques in foot work, blade work, tactics, and strategy. All students will wear **USFA approved safety equipment** including masks, jackets, and gloves, and fence with flexible foils equipped with rubber safety tips. Students only need to bring long, loose pants and tennis shoes. FFA provides all safety equipment.

Geared specifically for Ages 7-Up, this introduction to the Olympic sport will provide **5 hours of fun and energetic activities each day** of the camp. Healthy snacks will be provided to attendees, but **please bring a few drinks to re-hydrate during the camp.**

Cost: **Only \$140.00 for ALL FOUR DAYS!**
